Letter of Intent

Call: CEF Transport – General, Number: 26670348, TRAXX AC2 Baseline 3 Standardised Onboard Unit Prototype

Dear Mr. Jacob,

We herewith confirm our interest and commitment, to elaborate a joint proposal **CEF Transport – General, Number: 26670348, TRAXX AC2 Baseline 3 Standardised Onboard Unit Prototype** together with the partners of the TRAXX AC2 B3 User Group preparation group members and other partners selected based on their specific expertise.

The intended project under the coordination of the DB Netz AG will pave the way for a successful start and implementation of the ETCS activities in the future **TRAXX AC2 Baseline 3 Standardised Onboard Unit Prototype** initiative.

We confirm in particular

§1 that we will collaborate and participate in the the Proposal and will participate in the elaboration of the Proposal of the **TRAXX AC2 Baseline 3 Standardised Onboard Unit Prototype**.

§2 to treat the elaborations, contents, data, ideas, know-how, concepts, trade secrets, processes, proprietary technology and techniques and all related information connected with this “Letter of Intent”, the Proposal for the “**TRAXX AC2 Baseline 3 Standardised Onboard Unit Prototype Project**” in the phase of the proposal as strictly confidential until the final decision on the whole proposal. In this respect we confirm to use any information which we receive from the partners (whether orally, visually or in documentary or electronic form) during the course of discussions or elaborations of the Proposal and/or which is developed in the course of the implementation of the Proposal only for the purposes for which it has been provided or developed. In the proposal phase we will prevent third parties from gaining access to the information received or developed and treat it in the same way as our own business secrets.
